From 30 November to 1 December, at Fiera Milano City, Italy

FASTENER FAIR ITALY - INTERNATIONAL EXHIBITION FOR FASTENER AND FIXING TECHNOLOGY - RETURNS TO MILAN

Now in its third edition, the event is taking place as a live exhibition and marks the strategic importance of the sector

Milan, 14 September 2022 - Four years after the last face-to-face event, Fastener Fair Italy 2022, the international event dedicated to the fastener and fixing industry, returns to Milan. The exhibition represents an unmissable opportunity for national and international manufacturers and distributors to showcase their products and services, as well as to present the latest innovations and technological developments.

Hosted at the Fiera Milano City exhibition centre (Hall 3), **some 160 companies from 15 countries have confirmed their participation in the event**, with a strong representation of companies from Italy, Germany and Turkey. Amongst the exhibitors: Ambrovit S.p.A., Bontempi VIBO S.p.A., Bralo Italia, Carlo Salvi S.p.A., CHAVESBAO (CHAVES BILBAO S.A.), Di Costa Giuseppe Srl, Dimac Srl, Fastbolt Schraubengroßhandels GmbH, Lederer GmbH, MEVI ITALIA Srl, Piloni Srl, SOM FASTENERS, Teknoform Bağlantı Elemanları San. ve Tic. A.Ş., VIPA S.p.A., VISION Srl, VITAL S.p.A. and many more.

Liljana Goszdziewski, Portfolio Director for the Fastener Fairs in Europe, comments: "We are thrilled to see the return of face-to-face events and looking forward to welcoming the fastener and fixing industry at Fastener Fair Italy 2022. The strong exhibitor participation in the show is a positive signal indicating the industry's need to return to in-person events to facilitate business networking and trade and enable new sales opportunities. Visitors attending Fastener Fair Italy will be able to discover modern solutions for the fastener and fixing sector and get real insights into the latest technologies provided by the main industry suppliers".

Following the success of the previous edition, which was attended by a total of 2,700 visitors, including managers, engineers and buyers, Fastener Fair Italy 2022 will cover **free seminars** on innovations, topics and trends relevant to the entire industrial supply chain. These sessions will be led by industry experts and consist of updates on technical, regulatory and market issues. Organised by event partners in collaboration with Mack-Brooks Exhibitions, the organiser of the show, the seminar programme will be open to both exhibitors and visitors.

Free visitor registration is now available on the show website: <https://www.fastenerfairitaly.com>

Fastener Fair Italy is part of a series of commercial events targeted at the fastener and fixing industry, including Fastener Fair Global, the flagship event of the Fastener Fair brand held in Germany, Fastener Fair India, Fastener Fair Mexico and Fastener Fair USA.
